Instructions for playing

How it works

Each game has three rounds, and each round has five words. For each word shown on the screen, you'll get 45 seconds to type as many definitions as you can.

Scoring

For each correct definition you type, you will receive one point. For each incorrect definition, you lose a point. If you don't know the word, you can click "I don't know" and you will receive no points.

Instructions for judging

After playing a word, you get to judge another player's responses.

-  If you think their definition is correct and deserves a point, click the check mark.
-  If their definition is wrong, click the red x.

Be sure to judge accurately! Your input will be combined with other judges to determine that player's score.

If your judgement agrees with the majority, you receive one point. If you judge inaccurately, you lose a point.

The Level System

Your level shows the world how well you've mastered the meaning bee. To gain a level, you need to accomplish a certain amount of both playing points and judging points.

For example, to reach level 4, you'd need to have both 150 playing points and 450 judging points.

Playing Points

These are points you get when you define a word correctly.

- Level 1: 10 points
- Level 2: 30 points
- Level 3: 70 points
- Level 4: 150 points
- Level 5: 310 points
- Level 6: 630 points
- Level 7: 1,270 points
- Level 8: 2,550 points

Judging Points

You receive a point everytime you judge a definition that agrees with the majority.

- Level 1: 30 points
- Level 2: 90 points
- Level 3: 210 points
- Level 4: 450 points
- Level 5: 930 points
- Level 6: 1,890 points
- Level 7: 3,750 points
- Level 8: 7,530 points
